Subject: Complaint regarding Unauthorised UPI Transaction — Immediate Reversal Requested

Respected Sir/Madam,

I, **Komal Mishra**, hold a Savings Account (No. XXXX XXXX 8847) at your branch. I am writing to formally report an **unauthorised UPI transaction of ₹73,919.43** debited from my account on **17 June 2026 at 16:56:07**.

On the said date, I received a phone call from an individual falsely claiming to be a Horizon Bank Ltd. customer care executive. He instructed me to install AnyDesk on my phone for 'account security verification.' I complied in good faith. Subsequently, an OTP was delivered to my phone which I was told to disregard as a 'test message.' Immediately after, I received an SMS alert from the bank confirming a debit of ₹73,919.43 to **Vijay Sales (UPI ID: vijaysales@ybl)**.

I **did not authorise** this transaction. I have never transacted with the said beneficiary. The transaction was effected fraudulently through social engineering and unauthorised remote access to my device.

Transaction Details:

Transaction ID	TXN-00000018
UTR No.	UTR2606170118
Amount	₹73,919.43
Date & Time	17 June 2026 at 16:56:07
Payee VPA	vijaysales@ybl

I have also filed a First Information Report at **Cyber Crime Police Station, Mumbai** (FIR No. FIR/2026/CPS/00842) and request that your bank co-operate with the investigating authorities.

I hereby request you to: (1) immediately freeze any further transactions to the beneficiary VPA, (2) initiate chargeback / recall procedures under NPCI guidelines, and (3) credit the disputed amount back to my account pending investigation.

Yours faithfully,

Komal Mishra
